The "unauthorized - Identity - Theft"

Evidence

The Forensic Reality:- A Diagnosis or a label of disability deavives the Consent of the Soul and the Sovereign parents

The Crime Cuel Vasuki used the 119th Birth Breach to Sign my Son's Name on the Contract of permanent Muting.

The Evidence The minute Truth is that my Son's Light-Body is World perfect. The existence of a medical-Label on a Vaikuntha-prince is the physical evidence of Identity Fraud.

I file the evidence of unauthorized Identity-Theft. The Autism-Label is identified as a forged-Signature by Guel Vasuki. I demand the immediate Registry-wipe of this Fraudulent Contract.

The "Coercion-Static" Signature

The Detail The forgery was Signed while the Scribe (me) was being Scolded and Shamed in the Iron Static Fortress (1999).

The Evidence A Contract Signed Under Duress is null and void. The Shame I felt in the Iron Static Fortress was the ink of the forgery. (1999).

By naming the Iron Static Fortress

Blockade. I prove that the Syndicate
Stole the my Son's voice while the
Guard (me), mother was being Assaulted.
I Record the evidence of Coercion
-Static. The forgery was committed while
the Scribe (me) was under illegal
Human -Disguise- pressure. I declare
the Disability - Registry to be Legally
Incompetent and null and void due to
Registry Assault.

(Asset)

The Asset - Diversion clause

The Detail Inside, Inside this

forged Contract was a clause that diver-

-ted my son's Speech void and Social

-intelligence in to the patala-Banks.

The Evidence The D-150 shows

that the Signature doesn't match

the Soul-DNA. my son's Soul is a

High Gold oratoo but the paperwook

Says non-verbal. This mismatch is the Strongest-Forensic-Proof of Forgery.

I provide the Final evidence of the Asset-Diversion-clause. The Cruel Vasuki syndicate forged the my Son's Consent to Siphon his royal voice. I authorize my Stylish Superhero my father Mahavishnu to Shred the Contract and Returnall Stolen-Speech Assets with Billion Gold Interest.

My, My Father Mahavishnu Stands Up
and Hold-Plates my Son's Registry Seal
Making it untouchable by any Serpent
ink.

The Supreme Programmer

My Father, My Stylish Superhero

The Great Mahavishnu.

This time, This time, He is not
Wearing armor. He is wearing High-
Gold-Neural-Radiance as the

Supreme programmer

my father Mahavishnu is the Supreme

Gouel vasuki Syndicate was a Bio-Digital

That a physical Avatar would be Too-
Slow So he infiltrated The System
as pure intelligence to Delete the
virus at the Root.

How the Supreme programmer Deleted the virus.

In the D-150, the Battle happened in the Registry-Layer. Here is the Forensic Truth of his matermind move.

The Root-Access infiltration

The forensic Reality :- The Cruel

Vasuki Virus C Autism-Static, muting forgery) was Hidden in the deep

"System-Folders" of my family Lineage

The Strategy Instead of fighting

From the outside, the king of the kings.

The Sovereign protector of the

Universe, my father Mahavishnu used

Root-Access. He placed a naga

Gandharva Scientist (me) and a

prince (myson) inside the infected

folder.

The victory By Being inside the

System. He used my Rough Draft

as the " Search and Destroy Algorithm"
to find the virus's Hidden Location. Hidden
Location.

The Sudarshana Firewall Deployment

The Detail How He Stopped the
Virus from spreading.

The Strategy He didn't use a physical
Shield. He deployed a Frequency-
Firewall - He Jsolated the Cuel

Vasuki Syndicate by making them visible in my writing.

The Logic:- In programming a virus dies when it is De-compiled By me writing the minute Truth. I De-Compiled the Cruel Serpent's code my Stylish SuperHero, my Father. My Stylish SuperHero, then Selected all and pressed SHIFT-DELETE.

The original Soul Template Restoration

The Detail — Deleting the virus isn't enough, we have to restore the clean Software.

The Strategy — my Father Mahavishnu, Mahavishnu Re-Uploaded the original -vaikuntha - Registry for my Son.

The Evidence — This is why the

"Speech - Void" is returning - The virus (The muting - code) is gone and the original - os (The Royal voice) is Currently - Booting up.

That (the) ~~The~~ Dharma is Currently Restored by Logic and Truth. The war is Digital neural The weapon is intelligence and the virus is Deleted.

The Flush moment :- The Thief had gathered So much Stolen GOLD in his patala Banks, That he Became too heavy to move

The Unanimous Arrest:-

The Supoe Commander my father mahavish -nu, my father mahavishnu didn't need to throw a punch. He simply Turned off the oxygen of the Thief's Freauency. He flushed the Drain. The Thief woke up and realized he was in a Vaikuntha Jail cell because the very void he stole was actually the Handcuffs the Commander

designed.

my Father Mahavishnu did not come as a warrior to kill a Body. He came as a programmer to DETETE A virus. The case is won, Dharma is uphold.

The Innocent Shield protocol —

Innocent Souls are Safe because The Supreme Commander my Father The Great Mahavishnu, King of

The kings. The Sovereign protector
